SC No. 89/23

Station Bellary, , *Dated the* 5th October 192 .3

From (Name) M.R.Ry. Rao Bahadur M. Gopalaswami Mudaliar, Avl, B.A., BL.,
(Designation) Chairman, Municipal Council, Bellary.

To The Secretary to the Government of Madras,
Local Self Government Department.
Madras.

Sir,

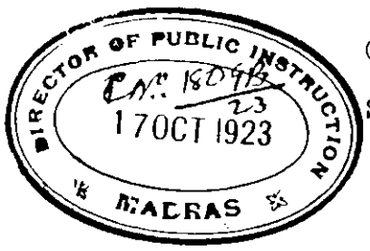
I have the honour to state that the Director of Public Instruction has disallowed the following items of expenditure in connection with the Municipal High School Bellary in the net cost statement for 1922—23.. Provision was made in the Budget for stipend for that year and it was not objected to them. It is not clear why the expenditure incurred by the Municipality under that head should now be excluded from the Net Cost statement.

The Government having agreed to bear the Net of the Municipal High School, Bellary, it is not also clear why the Municipality should meet out of its funds the gratuity paid to teachers of the Municipal High School.

Under the circumstances I request that the Government will be pleased to permit the Director of Public Instruction to admit these two items of expenditure incurred by the Municipality in

P.T.O.

connection with the Municipal High School, Bellary.



Gratuity.....RS: 810.0.0

Stipends.....RS: 198.6.2

I have the honour to be,

Sir,

Your most obedient servant,

Vice- Chairman.

Enclosure:- One. CE 3

R. C. No. 1809 B/23 Madras Dated 1- 11- 1923.

Endorsement on letter S.C.No. 89/23 dated 5-10-23 of the Chairman, Municipal Council, Bellary.

Resubmitted to Government with reference to their memo No.24511-1 L and M dated 15-10-23.

2. In fixing the adjustment of the net cost of the Municipal High School, Bellary for 1922-23 the expenditure on gratuity and stipends amounting to Rs.810 and Rs.198-6-2 respectively, has not been taken into account and the expenditure on recurring contingencies has been restricted to Rs.1230 as in the case of new schools. The municipality has a provident fund to which the teachers of the school are allowed to subscribe. I do not find any reason why the expenditure on gratuity should be admitted in calculation of the net cost subsidy for the school. [In this connection, attention is solicited to my letter R. C. No.1024 B/23 dated 1-8-23.]

3. As regards stipends, I submit that the scale of pay sanctioned for the teachers in the school is not unattractive and that there is no reason why professionally unqualified persons should be entertained in the school and why Government should meet the cost of the stipends of such teachers. Further no provision is made in the budget for meeting the charges incurred by local bodies on stipends to teachers sent for training from the schools the net cost of which is wholly or partly paid from provincial funds.
